Plant Trailer Price List July 2026

Indespension is your number one choice for plant trailers, from our industry leading AD range to the super light-weight Alumax we have a trailer that is right for the job. All of our plant trailers are fitted with seal for life bearings and hot dipped galvanised chassis for strength and durability.

The Alumax is an industry leading trailer with a payload of 2,910kg. It is fitted with aluminium decks and ramps, and has a low bed height and loading angle. The AD Range have a chassis tread plate construction and dual voltage LED lights.

Please note, premium options and additional parts such as deck rings or a spare wheel will alter the gross weight and carrying capacity of your trailer.
